

STEP 1:

Choose the first solid stamp from the 'Instant Artist Lamination' stamp set and place it on a stamping block.

STEP 2:

Use a selection of 'Pretty Colour Inside' inks to add vibrant colour to the stamp. Then spray the stamp with water 2-3 times.

STAMPS BY ME

STEP 3:

To prevent lines when stamping, lightly tap the ink into the stamp.

STEP 4:

Position your stamp onto your card and press down evenly on your stamping block.

STEP 5:

While waiting for the floral stamp to dry, choose the 'Thank You' stamp, place it on a stamping block and then stamp evenly as many times as you would like down the side of the card.

STEP 6:

Lastly, choose the detailed stamp, place it on a stamping block, add the ink and then place over the previously stamped floral silhouette. Then evenly press down the stamping block to add the detail.

**STEP 1:**

Take out the detailed floral stamp from the 'Instant Artist Lamination' stamp set, place on a stamping block and then ink up using a sponge dauber.

**STEP 2:**

Use a variety of inks on the stamp using a sponge dauber. Then spray the stamp 2-3 times and then position where you want to stamp and press down evenly on your stamping block.

STAMPS BY ME

STEP 3:

Repeat the process, stamping the same stamp in the corners of the card.

STEP 4:

Choose the 'Be the best version of you' sentiment stamp and place it on a stamping block.

STEP 5:

Use an ink to coat the stamp and then proceed to evenly stamp in the middle of the card.

STEP 1:

Choose this solid stamp from the 'Instant Artist Lamination' stamp set and place it on a stamping block.

STEP 2:

Use a selection of 'Pretty Color Inside' inks to add vibrant colour to the stamp. Then spray the stamp with water 2-3 times.

STEP 3:

Position your stamp onto your card and press down evenly on your stamping block.

STEP 4:

Choose the detailed floral stamp and place it on the Eureka. Then using an ink of your choice, ink up the stamp.

STEP 5:

Press down evenly on the Eureka to stamp.

STEP 6:

Lastly, choose the sentiment stamp 'Happy Birthday', place on the Eureka, then add ink to the stamp. Once inked up, close the lid and press down evenly to stamp.

**STEP 1:**

Using the 'Pretty Color Inside' inks, start swiping down from the top of the card to create this effect. Multiple colors can be used.

**STEP 2:**

Using a spray bottle, spray some water on your fingertips and then flick the water onto the card to create a watercolor effect. Then dab it with a tissue. To dry the ink, use a heat gun.

STEP 3:

Using a Eureka, place and position this solid floral stamp from the 'Instant Artist Lamination' stamp set and ink it up. Then close the Eureka lid and press down evenly to stamp. Repeat this process using parts of the stamp to create this effect.

STEP 4:

Spray some water on a stamping block and then using a thin paint brush, use the water to create a sunset shape in the middle of the card.

STEP 5:

Using a white gel pen, draw into the flowers, adding a light effect.

STEP 6:

Lastly, using the sentiment stamp 'Not all flowers bloom at the same time', place it on the Eureka then press down evenly to stamp.

STEP 1:

Using this solid floral stamp from the 'Instant Artist Lamination' stamp set, place it on a stamping block and use a variety of inks on the stamp using a sponge dauber.

STEP 2:

Spray the stamp 2-3 times with a spray bottle to create a watercolor effect.
