

Curtain Backdrop Card with Ice Cream Character

16 APRIL 2026

Create a dimensional card using the Yum Chums paper to make a curtain backdrop effect. The card features a cute ice cream character positioned in front of draped curtains, giving a theatrical spotlight effect that makes the character the focal point.

From our live show **THE THURSDAY DROP - Brand New Launch from Simon and AVAGO-INK with guest presenter Toni - Broadcast 16th April 26** (16 April 2026) - watch it from 32:45.

TIPS FROM THE SHOW

- You can use the paper as a single flat layer without dimension if preferred, as the paper already has lovely depth built in.
- If you don't like wasting paper, you can get three cards from one sheet by cutting it strategically.
- The shaped dies go around the main characters, so you don't need to fill the entire card with images.
