

4 by 4 by 4 Box Using Box Board

2 FEBRUARY 2026

Create a practical 4 by 4 by 4 inch gift box from a single 12 by 12 inch sheet of decorative card stock featuring an elegant marbled design in soft purples, pinks and golds. Using the Stamps by Me Box and Envelope Maker scoring board, you'll construct a sturdy, glue-free box with an ingenious interlocking closure system. This versatile technique allows you to make perfectly sized boxes for gifts, storage or presentation. From our live show **MY PODCAST - Catch my latest updates broadcast 2nd February 2026** (2 February 2026) - watch it from 31:00.

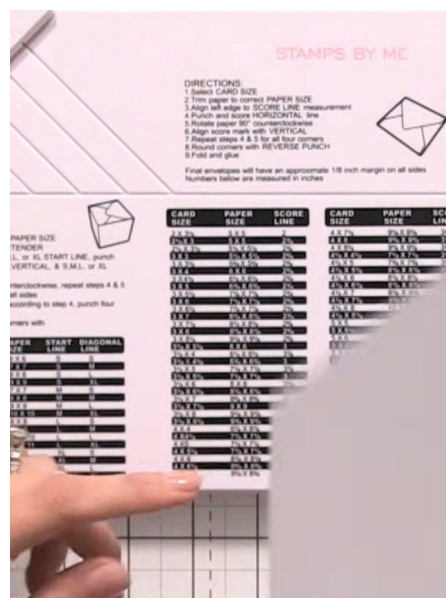

WHAT YOU WILL NEED

STEP 1

STEP 2

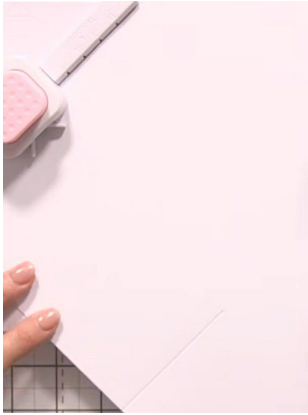

Place a 12 by 12 inch piece of card stock into the Stamps By Me Box and Envelope Maker. Position the paper at the XL start line for a 4 by 4 by 4 inch box.

Place the card into the box board at the XL start line on the diagonal measurement chart. Punch and score down across the full length of the card.

Watch this step: 31:45 into the show

STEP 3

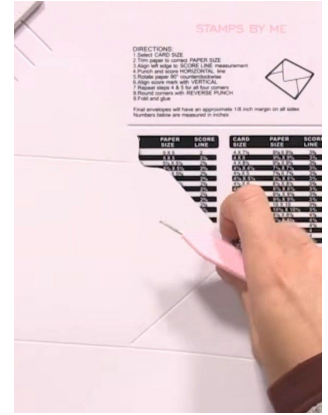

Rotate the card 90 degrees. Score again from the XL start line to the point, creating a second score line perpendicular to the first.
Watch this step: 32:00 into the show

STEP 4

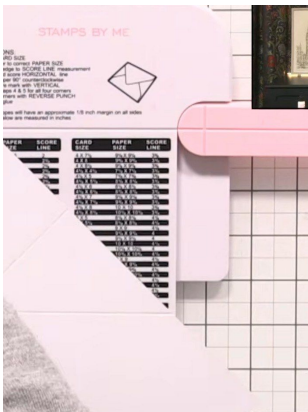

Rotate the card 90 degrees. Use the punch tool to punch the corner, then score along the fold lines as before.
Watch this step: 32:30 into the show

STEP 5

Rotate the board once more and complete the final punch and score along the horizontal line using the pink scoring tool.
Watch this step: 33:00 into the show

STEP 6

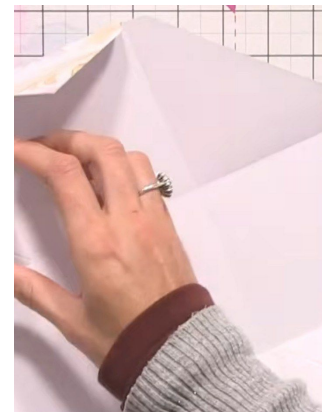

Remove the small triangular pieces that appear in the corners of the scored card using the punch tool. Pop them out carefully and discard.
Watch this step: 33:15 into the show

STEP 7

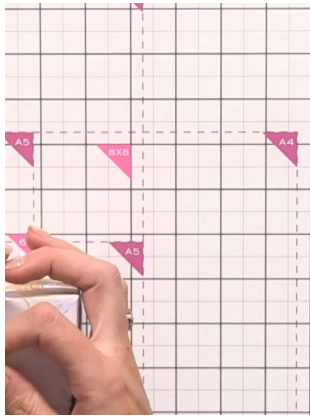

Score down the centre of the decorated paper using the scoreboard to create a fold line. This will help manipulate the paper fibres and make assembly easier.
Watch this step: 33:45 into the show

STEP 8

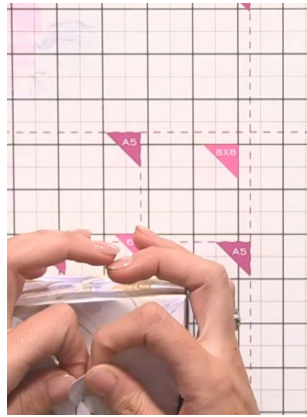

Lift up each side piece and pinch it together to form a point, creating a shape like a duck's mouth. Score down the fold line to create a crisp crease.
Watch this step: 34:15 into the show

STEP 9

Use the closure punch tool to create hook-and-eye closures on all four sides of the box. Lift each flap and punch through to create the interlocking fasteners.
Watch this step: 34:45 into the show

STEP 10

Hook and eye the closure system together to seal the box. Pinch the hook and eye together to fasten securely without using any glue.
Watch this step: 35:30 into the show

TIPS FROM THE SHOW

- The scoring really helps when trying to pull the box together.
- No glue is required for this box – the closure system holds it together.
- The 4 by 4 by 4 size is perfect for gifts like socks, perfume, bath bombs, or a Ferrero Rocher chocolate.
