

Moonlit Skies Layered Card with Tree Die-Cut Frame

19 JANUARY 2026

Create a stunning layered card featuring a delicate tree silhouette die-cut that frames a dreamy landscape scene. Using the Moonlit Skies die set and the We Can Dream paper collection, you'll craft an elegant design with a black tree frame that creates a window effect, revealing beautiful ombre skies and a peaceful lakeside scene behind. This sophisticated card combines die-cutting and layering techniques to achieve a professional, gallery-worthy finish. From our live show **MY PODCAST - Catch my latest updates broadcast 19th January 2026** (19 January 2026) - watch it from 32:45.

WHAT YOU WILL NEED

- Stamps By Me - Set the Scene Die Set - 210125D
- Stamps By Me - We Can Dream - 5 X 7 Paper Pad - 040124C
- Stamps By Me - Moonlit Skies Die Set - 210125C

STEP 1

Cut the tree die from the Moonlit Skies die set using black card stock. Position the large tree die on black card and run through your die-cutting machine.

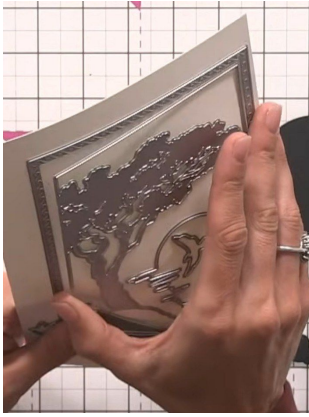

Watch this step: 33:00 into the show

STEP 2

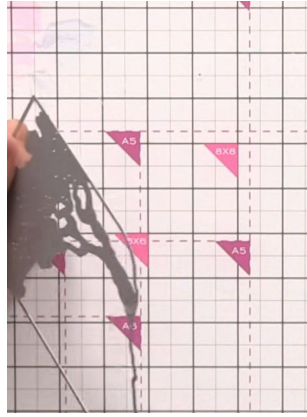

Cut the decking die piece from black card stock to create a wooden pathway effect. Die-cut the birds, twigs, clouds and stars from black card stock as well.

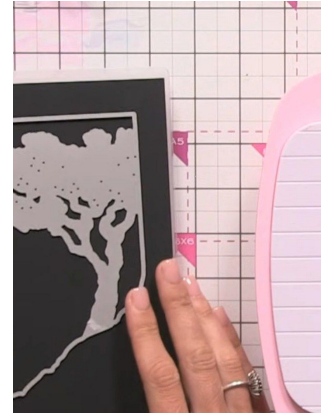

Watch this step: 33:30 into the show

STEP 3

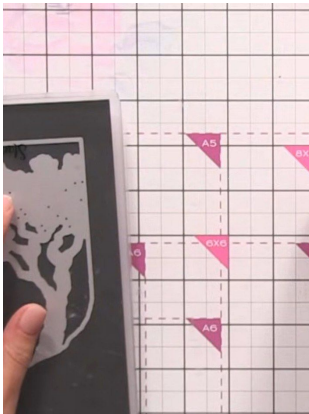

Die-cut the moon from black cardstock using the moon die from the Moonlit Skies die set. Place the die-cut moon on an embossing mat and run it through your die-cutting machine to add texture and dimension to the surface.
Watch this step: 34:00 into the show

STEP 4

Die-cut the bird and twig designs from black card stock using the dies from the Moonlit Skies die set. Run the dies through your die-cutting machine to create the intricate cut-out shapes.
Watch this step: 34:15 into the show

STEP 5

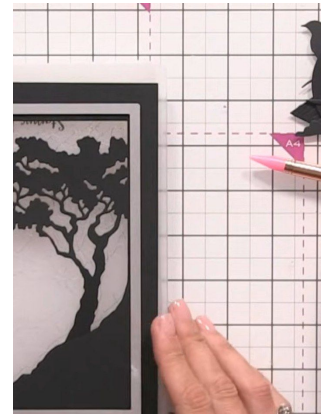

Die-cut the cloud and tree design from black card stock using the Moonlit Skies die set. The die creates a decorative frame with a tree silhouette, clouds, and stars.
Watch this step: 34:30 into the show

STEP 6

Select the outside frame die from the Set the Scene die set. Use this die to cut a frame from pink cardstock to create a mat for your card.
Watch this step: 39:30 into the show

STEP 7

Select an ombre paper from the We Can Dream collection to use as your background layer for the card.
Watch this step: 40:00 into the show

STEP 8

Layer the black die-cut tree frame onto the ombre background paper, positioning it to frame the scenic elements. Add the additional black frame pieces around the edges to create a layered border effect.
Watch this step: 44:00 into the show

STEP 9

Mount the completed layered tree frame piece onto a white card blank, ensuring an even white border is visible around all edges for contrast.

Watch this step: 44:15 into the show

TIPS FROM THE SHOW

- The ombre papers are ideal if you struggle to achieve smooth blends with ink.
- Cut the frame die twice and offset it slightly to create a hill effect with foam pads behind for dimension.
- These dies work beautifully together or separately, depending on your design preference.
