STEP 1

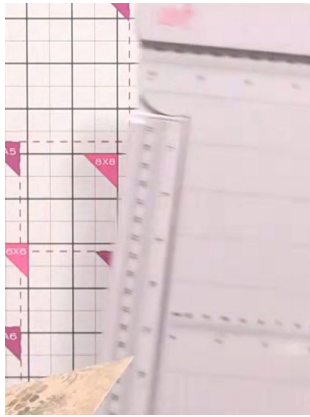

STEP 2

**Remove all the pre-cut pieces from the Majestic Treasures memory album kit.** This includes the album cover, pages, pockets with score lines, and decorative toppers featuring butterflies, florals, and vintage map designs.  
**Watch this step:** 33:30 into the show

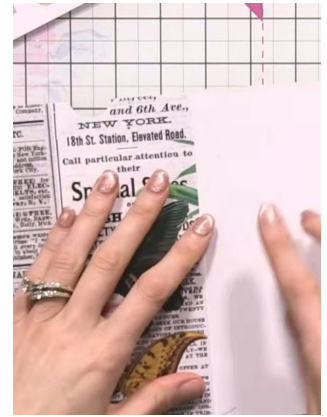

**Score the album cover along the printed score lines using a scoring tool and ruler.** Work carefully along each marked line to create crisp fold lines for your album structure.  
**Watch this step:** 36:00 into the show

**STEP 3**

Create a pocket by applying adhesive to two sides of the pre-cut decorative paper piece. Leave the hinge edge free so it can be attached to the album binding later.  
**Watch this step:** 36:30 into the show

**STEP 4**

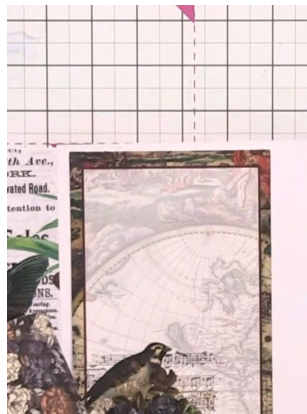

Use a circle punch to punch a hole in the upper portion of the pocket piece. This creates a finger hole for easy opening of the pocket.  
**Watch this step:** 41:00 into the show

**STEP 5**

Position and glue the decorative pocket piece onto the album page, aligning it to create an interactive fold-out element. Smooth down firmly to ensure it adheres well.  
**Watch this step:** 42:00 into the show

**STEP 6**

Score and fold the hinge pages along the printed lines to create the album's spine structure. Use a scoring tool to create crisp fold lines on the decorative paper panels.  
**Watch this step:** 43:00 into the show

**STEP 7**

Glue decorative bird and nature toppers onto your album pages in your chosen positions. Use the floral and butterfly motifs to embellish the vintage newspaper and music sheet backgrounds. Layer the toppers to create depth and visual interest.  
**Watch this step:** 45:00 into the show

**STEP 8**

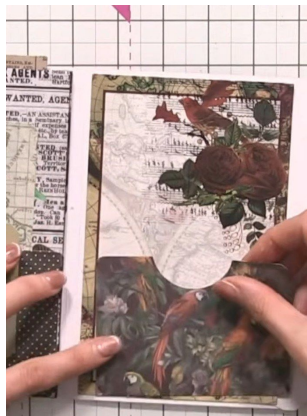

Trim a vintage newspaper-style bookmark piece to fit inside the pocket, cutting approximately one inch from the bottom so it sits neatly within the pocket opening.  
**Watch this step:** 53:00 into the show

STEP 9

Glue the polka dot bookmark piece into the pocket on the collage page, positioning it so it extends above the pocket opening. Watch this step: 54:30 into the show

STEP 10

Wrap coordinating ribbon around the completed album lengthways and tie in a bow to finish and keep the album closed. Watch this step: 56:00 into the show

#### TIPS FROM THE SHOW

- You don't have to make these into albums—use them smartly as cards with pockets, gift wallets, or bookmarks instead.
- Don't worry about the white backs of the pages; you can stick decorative pieces on the reverse side to make them look double-sided if desired.
- Plan and prep your design first so you know where your pieces are going and can hide your hinges properly.
