

Romantic Rose Coloured Card with Ornate Frame

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT LIVE - 8 APRIL 2022

ABOUT THIS PROJECT

A beautiful card featuring a hand-coloured rose stamp with watercolour inks, layered with an ornate die-cut frame and sentiment. The design uses soft colour blending to create a vintage, elegant look with light and shade effects.

TIPS FROM THE SHOW

- When using watercolour card, you may need to send the die through the machine twice as it is quite dense.
- If you miss stamping some details or the colour feels too wet or dark, you can always go back in and re-stamp or adjust with a paper towel.
- Changing the colour palette from spring pinks and reds to autumnal browns shows how the same die and stamp set can work for different seasons.
