

Circular Mandala Frame with Butterflies and Flowers

A PROJECT FROM OUR LIVE SHOW - BRAND SHOWCASE - 8 APRIL 2022

ABOUT THIS PROJECT

Create a stunning mandala-style circular design by using a circle frame stencil as your structure, then add hand-drawn butterflies and flowers within the frame. The result is a balanced, symmetrical artwork that looks professionally designed.

TIPS FROM THE SHOW

- Start in the middle of bubble shapes and work outward to achieve nice balance.
- You do not have to colour in entire sections—leaving some areas white creates visual interest.
- The stencil provides structure to help you get started, but your own additions make each piece unique.
