

Shaped Card with Stencilled Background and...

10 OCTOBER 2025

Create a shaped card using a new waste-free die, with a stencilled background featuring candy canes and festive elements. The shaped edge adds visual interest whilst the stencil creates a cohesive, sparkly background.

From our live show **ONE DAY SPECIAL - Join Toni and Simon for the brand new launch - Broadcast 10th October 2025** (10 October 2025) - watch it from 1:17:30.

TIPS FROM THE SHOW

- When creating shaped cards, overhang the die just over the hinge of the card so you don't need an extra panel on the front.
- You can use elements of the stencil around the edges rather than trying to centre it on the card.
- The patterned papers work beautifully with the impressed areas of the shaped die.
