

Watercolour Gnome Character Card with Sparkly...

10 OCTOBER 2025

Create a charming gnome character card by stamping a gnome design on watercolour card, colouring it with watercolours and crayons, then embossing with sparkly blue powder for a festive finish. The result is a cute, dimensional character card perfect for Christmas.

From our live show **More Inspiration - Using - Gnome for the Holidays** (10 October 2025) - watch it from 36:45.

- You don't have to be precious when colouring over embossing—it's secure once set.
- Lighter and darker shades of the same colour help create dimension even on flat cards.
