Watercolour Floral Card with Lamination Stamps

A PROJECT FROM OUR LIVE SHOW - CATCH UP WITH TONI FOR A THURSDAY LAUNCH IN THE HTCN STUDIO...

ABOUT THIS PROJECT

Create a beautiful watercolour-effect floral card using the two-part lamination stamp system. Stamp a light silhouette first, then paint in vibrant colours to create a realistic watercolour look, before adding the detailed outline layer for a professional finished piece.

TIPS FROM THE SHOW

- Don't be precious about the watercolour application; the forgiving design means imperfect placement still looks beautiful.
- You can use normal white cardstock if you don't have watercolour card available.
- The light silhouette stamp acts as a helpful guide for where to place your colours.
