Rise and Fall Blended Ink Background with Stamped Flowers

A PROJECT FROM OUR LIVE SHOW - CATCH UP WITH TONI FOR TECHNIQUE TUESDAY IN THE HTCN STUDIO...

ABOUT THIS PROJECT

Create a layered background using blended distress inks in blue and green tones, then stamp and emboss a floral design. Add a bleaching technique with water to lift colour from the flower heads, creating a subtle highlight effect that makes the blooms stand out against the inked background.

From the show: CATCH UP with Toni for TECHNIQUE TUESDAY in the HTCN studio broadcast 19th Oct 21
Shown: 19 October 2021
The project starts: 6:15 into the show

TIPS FROM THE SHOW

- Watch your fingerprints as you work; use the ink pad lid to hold your card in place if needed to avoid marking the artwork.
- The bleaching technique works particularly well on watercolour cardstock; results may be more subtle on standard white cardstock.
- If the bleaching technique doesn't produce the desired effect, add white gouache or gel pen highlights to enhance the flowers.
