

Mini Album with Interactive Pages and Pockets

11 AUGUST 2025

Create a decorative mini album from a pre-cut kit that makes five albums. Pop out the pieces, score the fold lines, and assemble pages with pockets, flaps, and interactive elements to make a keepsake gift for special people.

From our live show **MY PODCAST - Catch my latest updates broadcast 11th August 2025** (11 August 2025) - watch it from 20:45.

TIPS FROM THE SHOW

- Pop out all pieces from one kit into five separate piles to make five different albums.
- There are no score lines pre-printed on the pieces, so you can score them as you wish or leave them unscored if you want to use the pieces for cards instead.
- You can use the pre-cut pieces as templates for your own patterned cardstock if you want to create matching designs.
