

Aurora Borealis Bear with Watercolour Fill and...

18 JULY 2025

ONE DAY
SPECIAL

Use a stencil to create a bear outline, then fill it with watercolour in multiple colours to mimic an Aurora Borealis effect. Once dry, stamp woodland details inside to create a magical night-sky scene.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 18th July 2025** (18 July 2025) - watch it from 29:15.

TIPS FROM THE SHOW

- Keep the water wet longer by working quickly and adding more water if needed.
- Do not try to blend watercolour completely; let the colours merge naturally.
- Use a smaller brush for detailed areas like the bear's legs and face.
