

Stamped and Die-Cut Layered Card

21 MAY 2025

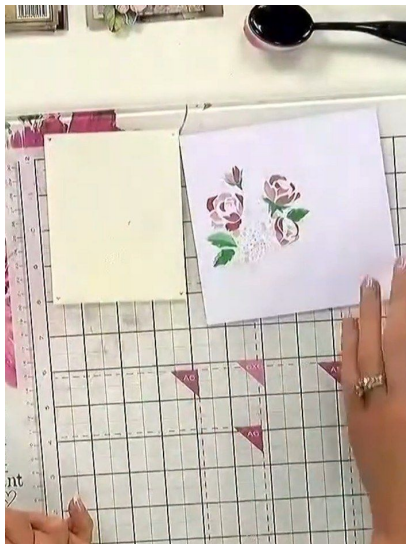

Create a beautiful layered card featuring delicate pink roses with a soft watercolour background. This elegant design combines stencilling, stamping, and die-cutting techniques to build up a multi-dimensional floral embellishment. The finished card showcases pretty pink and green tones with a romantic, vintage-inspired style. From our live show **IDEAL WORLD - Join Toni for the latest Stamps By Me product launch - Broadcast Wed 21st May 12 p.m. (21 May 2025) - watch it from 35:00.**

WHAT YOU WILL NEED

See the show for everything used.

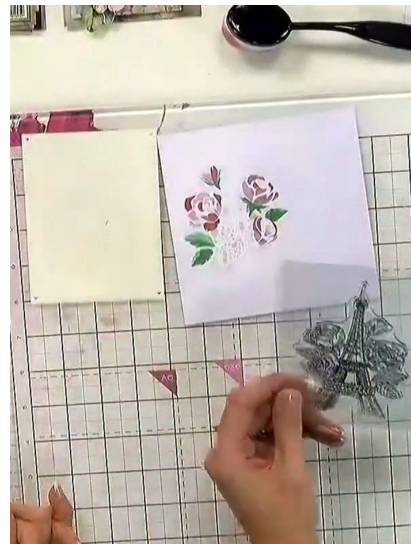

STEP 1

Create a stencilled background using your layering stencils and coloured inks. Position the stencil on your card base and apply ink through the design to build up layers of colour and pattern.

Watch this step: 35:00 into the show

STEP 2

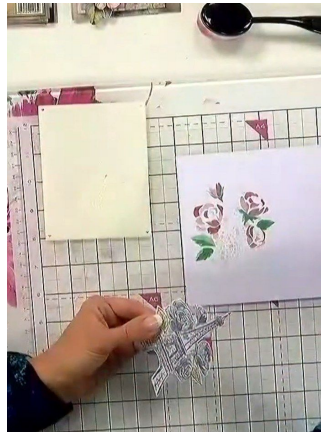

Press your chosen stamp firmly onto the ink pad to ink it up evenly. Ensure the entire stamp surface is covered with ink.

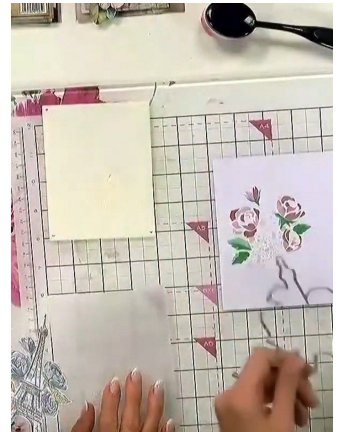

Watch this step: 35:15 into the show

STEP 3

Stamp the Eiffel Tower design onto your stencilled background using the clear stamp, pressing down firmly and evenly to transfer the image.
Watch this step: 35:30 into the show

STEP 4

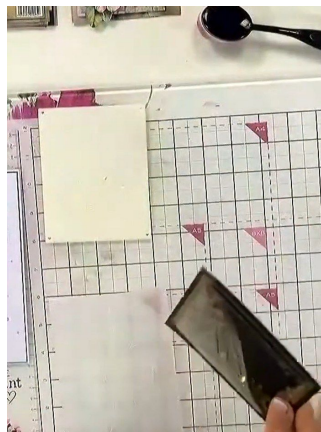

Allow the stamped ink to dry completely before proceeding to the next step.
Watch this step: 35:45 into the show

STEP 5

Position the matching die around your stamped floral design on the lilac card panel. Ensure the die is centred over the stamped image to cut it out accurately.
Watch this step: 36:00 into the show

STEP 6

Run the stamped and die-cut design through your die-cutting machine to cut out the finished image from the card panel.
Watch this step: 36:15 into the show

STEP 7

Mount the completed die-cut design onto your card base using adhesive tape or glue. Position the layered Eiffel Tower design centrally on the card front and press firmly to secure.
Watch this step: 36:30 into the show

TIPS FROM THE SHOW

- The detail from the stamp brings the stencilled design to life and adds dimension.
