

Stamped and Coloured Floral Card with Edged...

16 MAY 2025

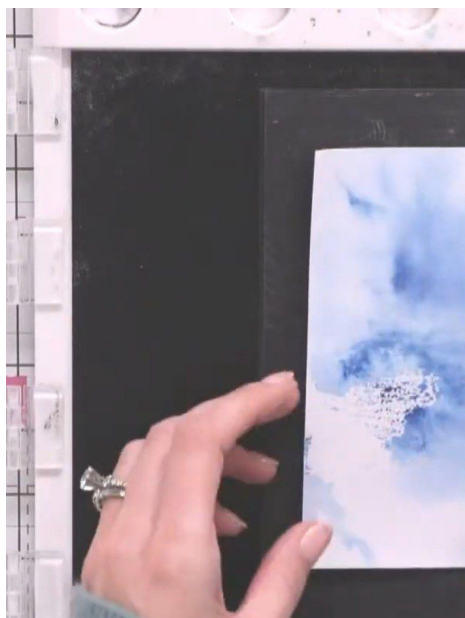

Create a beautiful floral card featuring delicate stamped flowers arranged in a mason jar bouquet. The design uses soft watercolour washes in pink and blue tones, with layered card mounting and inked edges for a dimensional, polished finish. This elegant card combines stamping, watercolouring and paper layering techniques for a stunning handmade result. TIPS FROM THE SHOW

- Add colour throughout the whole stamped image, not just on the flower heads, to push the white back
