

Whispering Leaves Layered Watercolour Card with...

7 MARCH 2025

ONE DAY
SPECIAL

Create a beautiful layered leaf card using the Whispering Leaves stencil and stamp set with multiple ink colours to achieve a transparent, watercolour effect. The design features ombré leaves with artistic splat details and an embossed sentiment, giving a professional, ethereal look.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 7th March 2025** (7 March 2025) - watch it from 33:30.

WHAT YOU WILL NEED

- 100068 - HTCN - Izink Paste and Tool Bundle Fbl

Line up the first layering stencil (numbered 1) with the edge of your white card stock to ensure all stencils align to the same position.
Watch this step: 34:00 into the show

Apply yellow ink through the first stencil using a sponge or brush, creating a base colour wash.
Watch this step: 35:15 into the show

Position the second numbered stencil (2) in the same alignment and apply pink ink, layering it over the yellow to create depth.

Watch this step: 36:15 into the show

Apply the third stencil layer with a different colour, building up the transparent watercolour effect by overlaying the stencils.

Watch this step: 37:30 into the show

Create an ombré effect by applying darker ink at one end of the leaf shape and gradually blending to lighter colour towards the top.

Watch this step: 38:45 into the show

Use the splat stencil to add artistic splatter details across the design, positioning it in different areas to create visual interest.

Watch this step: 40:00 into the show

Stamp the leaf image onto the card using black ink, positioning it to complement your stencilled background.

Watch this step: 46:00 into the show

Apply sticky embossing ink pad to your chosen sentiment die and stamp it onto the card.

Watch this step: 47:00 into the show

Sprinkle coloured embossing powder (such as popping pink) over the wet embossing ink.

Watch this step: 50:30 into the show

Heat set the embossing powder with a heat gun until it becomes shiny and fused to the card.

Watch this step: 50:45 into the show

TIPS FROM THE SHOW

- Use an antistatic bag to remove moisture from your card before embossing to prevent powder from sticking to unwanted areas.
- You do not have to use the stamp element; you can create beautiful designs using just the stencils.
- Experiment with different colour combinations as you will get a different look every time you layer the stencils.
