

Layered Inky Background Card with Die-Cut Flower

24 FEBRUARY 2025

Combine two handmade inky backgrounds—a coloured cellophane transfer and a textured gold panel—layered onto black card, then topped with a detailed rose die-cut and washi tape sentiment for a finished card.

From our live show **MIGHTY MONDAY - Join Toni for her detailed papercrafting sessions - Broadcast 24th Feb 2025** (24 February 2025) - watch it from 26:00.

WHAT YOU WILL NEED

- Stamps By Me - Marbled Elegance Paper Pad - 310724A

Trim your first inky background (the coloured cellophane transfer) to a neat rectangular panel.

Watch this step: 26:00 into the show

Trim your second inky background (the gold textured panel) to a smaller rectangular panel.

Watch this step: 26:30 into the show

Cut a piece of black card stock to use as a mounting layer.

Watch this step: 27:00 into the show

Glue the coloured panel onto the black card with a thin border of black showing around the edges.

Watch this step: 27:30 into the show

Trim the black-backed panel to size and position it on your card blank.

Watch this step: 28:00 into the show

Glue the gold textured panel in the centre of the card.

Watch this step: 28:30 into the show

Place the detailed rose die onto card stock with a support layer underneath in your cutting machine.

Watch this step: 32:00 into the show

Run the die through the cutting machine to cut out the rose.

Watch this step: 32:30 into the show

Brush out the die-cut with a small brush tool to help release the pieces.

Watch this step: 34:30 into the show

Use a pokey tool to pop out the detailed pieces from the die-cut rose.

Watch this step: 35:00 into the show

Trim any excess or torn pieces from the rose die-cut as needed.

Watch this step: 36:00 into the show

Apply glue to select areas of the rose and position it on the card, using an acrylic block to hold it whilst the glue sets.

Watch this step: 38:15 into the show

Trim a piece of washi tape to size and adhere it to the card as a sentiment strip.

Watch this step: 39:15 into the show

TIPS FROM THE SHOW

- When using detailed dies, place a support layer underneath the card stock to help the machine cut through without struggling.
- You don't need to glue the entire back of a delicate die-cut; just glue key areas to maintain dimension.
- Washi tape is a quick alternative to stamped sentiments and adds a finished touch to your card.

PRODUCTS USED

Inspiration with out frustration - we have carefully curated all of the products used in this project to assist you in your creative journey. Click on the product images to find their availability from Stamps By Me.
