

Lily Embossed Card with Die-Cut Detail

4 JANUARY 2025

Create an elegant greeting card featuring a stunning 3D embossed watercolour lily as the centrepiece. The design combines soft peach, grey and lavender tones on a sophisticated charcoal card base, finished with a 'Grateful & Blessed' sentiment. This project showcases high-definition embossing and coordinating die-cutting techniques to achieve beautiful dimensional detail.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 4th Jan 2025** (4 January 2025) - watch it from 15:30.

WHAT YOU WILL NEED

- Stamps By Me Paper Bundle - Timeless - 8 X 8 Paper Pad - 061223G

STEP 1

Select a piece of patterned paper from your Timeless 8 x 8 paper pad.
Watch this step: 15:30 into the show

STEP 2

Select your patterned paper from the Timeless paper pad and trim it to a suitable size for your card base.
Watch this step: 16:00 into the show

STEP 3

Place the watercolour paper into the Lily embossing folder, ensuring it is positioned correctly within the folder.
Watch this step: 16:15 into the show

STEP 4

Place your chosen piece of cardstock inside the Lily embossing folder. Run the folder through your die-cutting and embossing machine to create the detailed 3D embossed design.
Watch this step: 16:30 into the show

STEP 5

Carefully remove the paper from the embossing folder to reveal the beautiful embossed lily design.
Watch this step: 16:45 into the show

Use the coordinating lily die to cut out the embossed design from the card front. This creates a delicate die-cut detail that highlights the embossed lily pattern.
Watch this step: 17:00 into the show

Mount the embossed lily panel onto your card base, positioning it off-centre or in a corner for visual interest.
Watch this step: 17:15 into the show

Add any additional embellishments if desired, or leave the card as is for a clean, elegant finish. The completed card features the embossed and die-cut lily design on the layered panels.
Watch this step: 17:30 into the show

TIPS FROM THE SHOW

- The high-definition embossing folder creates up to seven to ten layers of dimension on both front and back.
- This is one of the most popular embossing folders and approximately 80% of crafters will want to have this design.
- The embossed lily works beautifully positioned off the corner of your card for a sophisticated look.
