

Embossed Flower Card with White Detail

21 DECEMBER 2024

Create an elegant embossed flower card featuring soft purple and cream florals on a dreamy watercolour background. Using an embossing folder, you'll add beautiful texture to your design, then enhance the raised areas with white ink to make the floral details pop. This technique creates a sophisticated, dimensional card perfect for any special occasion.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 21st December 24** (21 December 2024) - watch it from 15:00.

WHAT YOU WILL NEED

- Stamps By Me 8.5 Inch Die Cutting & Embossing Machine - 170724A

STEP 1

Select a piece of decorative paper from the **Purple Radiance pad**. Position the paper inside your embossing folder, ensuring it is centred within the folder.

Watch this step: 15:30 into the show

STEP 2

Run the embossed paper through your **die-cutting machine** to create the flower design. Use your A4 die-cutting and embossing machine for this step.

Watch this step: 15:45 into the show

STEP 3

Remove the embossed paper from the folder and examine the raised floral texture created by the embossing process.
Watch this step: 16:00 into the show

STEP 4

Using a white ink pad, gently dab the raised floral elements on your embossed card to highlight the texture. Apply the ink lightly to create subtle white detail on the purple flowers.
Watch this step: 16:15 into the show

STEP 5

Rattle the embossing folder's raised element with the white ink pad to highlight the embossed details on your card.
Watch this step: 16:30 into the show

STEP 6

Allow the embossed and inked card to dry completely before continuing. Move the piece aside whilst it dries.
Watch this step: 16:45 into the show

STEP 7

Step back and admire the dimensional effect created by the embossing and white ink combination on your finished floral card.
Watch this step: 17:00 into the show

TIPS FROM THE SHOW

- The white ink on embossed elements adds instant light and shade to your design.
- These papers work beautifully with embossing folders due to their 300 GSM weight.

PRODUCTS USED

Inspiration with out frustration - we have carefully curated all of the products used in this project to assist you in your creative journey. Click on the product images to find their availability from Stamps By Me.
