

Slimline Embossed Card with Ink Pad Technique

6 DECEMBER 2024

Make a slimline card using the All Occasions embossing folder in a smaller format. This project demonstrates how to ink the embossing folder directly with an ink pad and create beautiful detail by working on both the raised and debossed sides.

From our live show **ONE DAY SPECIAL - Join Toni for her brand new launch - Broadcast 6th December 24** (6 December 2024) - watch it from 41:15.

TIPS FROM THE SHOW

- You can use a brush to stipple or blend ink onto the embossing folder rather than applying it directly for more control.
- Working on both sides of the embossing folder gives you multiple design options from a single card.
