

Envelope Pocket Album with Pull-Out Cards

18 OCTOBER 2024

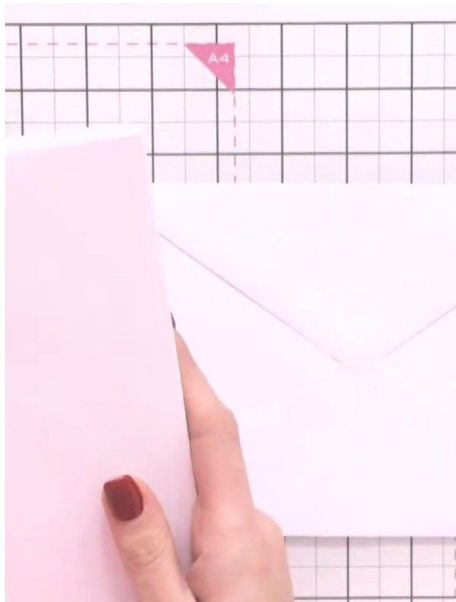

Create a charming multi-page mini album using spare envelopes transformed into pull-out pockets with decorative opening cards. This enchanting keepsake features whimsical fairy and floral imagery in soft purples, pinks and blues, perfect for displaying photos, messages or creating an advent-style surprise collection. The project uses simple techniques including envelope folding, layering decorative toppers, and assembling pages with tape to create an interactive memory book.

STEP 2

Tuck the taped envelope inside the second envelope, corner to corner, and press down firmly to create your base album.
Watch this step: 6:30 into the show

STEP 3

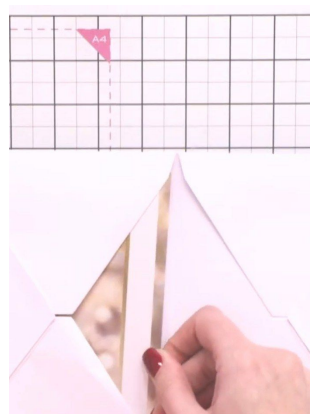

Apply tape to the flap of a third envelope, positioning it slightly away from the score line to ensure the album closes properly.
Watch this step: 7:15 into the show

STEP 4

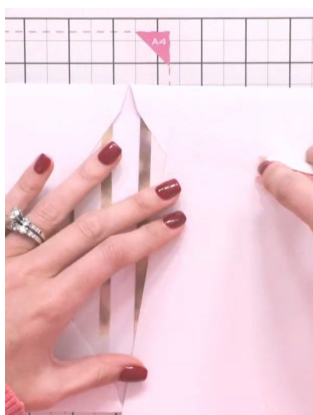

Position the third lilac envelope on top of your base envelope, aligning it with the previous envelope but leaving a small gap at the fold line to allow the album to open properly.
Watch this step: 7:45 into the show

STEP 5

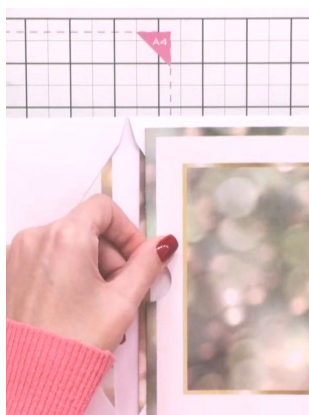

Select a topper from the card kit and punch a circle in the centre using a circle punch.
Watch this step: 9:15 into the show

STEP 6

Apply tape only to the top edge of the pink mat and layer. Do not tape the full perimeter, so the envelope beneath can still pull out as a pocket.
Watch this step: 12:00 into the show

STEP 7

Adhere the decorated mat and layer to the front of your pocket envelope, positioning it centrally over the gold foiled aperture.
Watch this step: 12:30 into the show

STEP 8

Continue adding pockets to additional pages by taping new envelopes on three sides only, leaving the top open. This creates multiple pull-out pockets throughout your album for storing cards.
Watch this step: 15:00 into the show

Cut out the fairy and dragonfly embellishments from the kit. Trim away any white edges if desired for a neater finish.

Watch this step: 18:45 into the show

STEP 10

STEP 11

Adhere the cut-out embellishments to the front cover of your album using foam pads for dimension.

Position the decorative butterfly and floral elements as desired to create an attractive arrangement.

Watch this step: 24:00 into the show

Distress the edges of your embellishments with ink to blend them with the card design.

This helps create a cohesive, vintage look across all elements of your project.

Watch this step: 25:30 into the show

TIPS FROM THE SHOW

- You don't need to buy the kit just for the envelopes—use any envelopes from your stash.
- Leave a small gap at the fold line when taping pages so the album closes properly.
- Only tape the top edge of mat and layers if you want the envelope beneath to pull out as a pocket.
