

Crow on Branch Lamination Card with Layered...

4 OCTOBER 2024

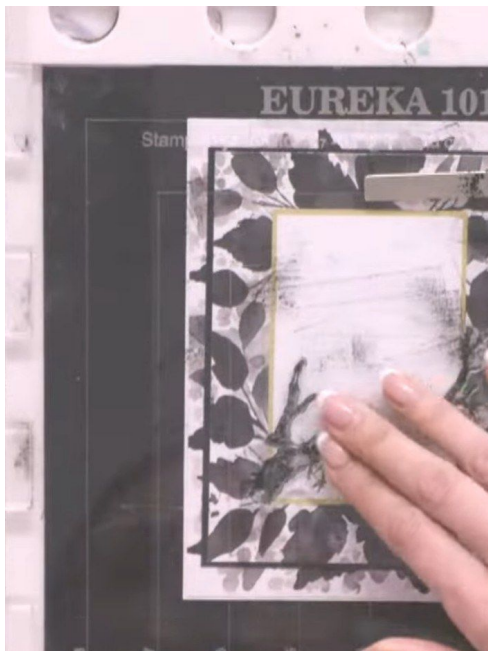

Create a striking monochrome card featuring a detailed crow perched on a branch, set within an elegant layered frame. This project uses stamping and lamination techniques to build dimension, with a black silhouette bird against white, surrounded by decorative foliage and finished with a gold inner frame and sparkle accents. The bold black and white colour scheme creates a dramatic, sophisticated design perfect for any occasion.

WHAT YOU WILL NEED

See the show for everything used.

STEP 1

Stamp the branch detail onto white card using grey ink, positioning it as a background element within the frame area.

STEP 2

Stamp the bird silhouette onto the same white card using black ink, positioning it so it aligns with the branch image already stamped.

Watch this step: 1:12:00 into the show

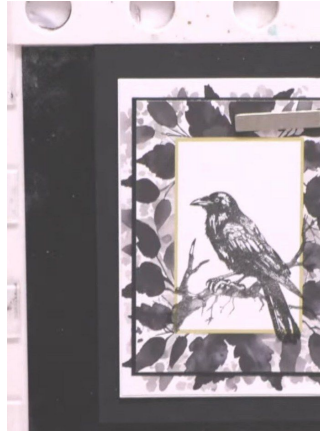

STEP 3

Stamp the bird image again onto white cardstock to create a solid black silhouette. Ensure the stamped image is crisp and clear.

STEP 4

Die-cut or blade out the centre of a coordinating patterned paper to create a frame window. Position this frame over your stamped bird image on the black card base.

Watch this step: 1:13:00 into the show

STEP 5

Layer foam pads on the back of the black frame piece. Position and adhere the frame over the stamped bird panel, ensuring the bird is centred within the frame opening.

Watch this step: 1:13:30 into the show

STEP 6

Apply black sparkle glitter glue around the edges of the frame to add shimmer and definition. Work carefully around the border to create an even line of sparkle.

Watch this step: 1:14:00 into the show

STEP 7

Add a sentiment stamp to complete the card. Position the stamp in the desired location on the white central panel.

TIPS FROM THE SHOW

- Stamp the bird multiple times to ensure a crisp, solid black silhouette.
- Black sparkle glitter glue adds shimmer without changing the colour of the design.
