

Delicate Stitch Embroidery Hoop Ombre Flower Card

4 OCTOBER 2024

Create a beautiful handmade card featuring an embroidery hoop filled with delicate stitched flowers. Using ombre ink blending in soft teal and pink tones, you'll build up layers of die-cut embellishments and fussy-cut floral elements for a charming vintage-inspired design. This project combines stamping, die-cutting and dimensional layering techniques to achieve a lovely handcrafted finish.

From our live show **CELEBRATING 14 YEARS OF STAMPS BY ME - Join Toni for her brand new launch - Broadcast 4th October 24** (4 October 2024) - watch it from 1:27:00.

TIPS FROM THE SHOW

- If you're not confident with fussy cutting, leave a small border around the shapes and blend the edges with ink.
- Foam pads create dimension and make the card more visually interesting.
- The embroidery hoop effect works beautifully with the stitched flower stamps.
