

Decorated Gift Box with Great Outdoors Papers

20 SEPTEMBER 2024

Create an elegant decorated gift box using Great Outdoors themed papers featuring cyclists and scenic imagery. This project transforms a plain cream and black box into a sophisticated presentation piece, perfect for giving money or small gifts. The design incorporates layered papers with coordinating card inserts inside, using simple layering and assembly techniques. From our live show **ONE DAY SPECIAL - Join Toni for brand new launch - Broadcast 20th September 24** (20 September 2024) - watch it from 15:00.

TIPS FROM THE SHOW

- Always decorate the focal point first, then use offcuts for the sides to avoid wasting good paper.
- If your box is an ugly colour, paint it or cover it with black card stock before decorating with paper.
- You can massage the paper to break down the fibres if the decorated box is slightly tight when closing the lid.
