

3D Dimensional Card with Layered Embellishments

19 SEPTEMBER 2024

Create a stunning dimensional greeting card featuring beautiful floral imagery in soft pinks and greens. This project uses layered toppers, decorative tags, and 3D foam pads to build up multiple levels of depth and visual interest. The finished card combines die-cut elements, coordinating papers, and delicate embellishments for an elegant, professional result.

From our live show **CRAFT BATTLE - Join the fun, chaos and intense creativity as Toni and Sarah go HEAD-TO-HEAD - broadcast 19th September 24 (19 September 2024) - watch it from 14:15.**

WHAT YOU WILL NEED

- Stamps By Me Create a Card Kit - Magnolia - 240424Q

Select a card blank from your Magnolia kit to use as your base. The card blank will form the foundation of your 3D dimensional card.

Select coordinating toppers and embellishments from the Magnolia kit.

Choose floral designs and decorative elements that complement your card's colour scheme.

Watch this step: 14:30 into the show

Apply 3D foam pads to the back of your chosen floral embellishments from the collection. Peel off the backing and position them ready for layering onto your card.

Watch this step: 15:00 into the show

Layer the floral embellishments onto your card base, building up the dimensional effect. Position the larger flowers first, then add smaller blooms and foliage pieces on top to create depth.

Add a sentiment stamp or tag to personalise your card. Position it on the front of the card where desired, such as at the bottom corner or alongside your floral arrangement.

Watch this step: 16:00 into the show

Layer additional floral embellishments on top of the base layer to create depth and dimension. Build up the layers gradually, positioning flowers and foliage to create visual interest.

Watch this step: 17:00 into the show

Arrange your final embellishments on the card, ensuring good balance across the design. Position the layered floral elements and sentiment pieces until you're happy with the overall composition.

TIPS FROM THE SHOW

- Be generous with yourself and don't feel like you need to use just one element per card—add multiple layers for stunning results.
- Don't be tight with your embellishments; the kit contains plenty so you can be creative and abundant in your design.
