

Black and White Silhouette Tree Card with Layered...

2 AUGUST 2024

Create a striking black and white card featuring a dramatic silhouette tree scene with a sunset sky. The design showcases a tree and sailboat in silhouette against warm orange and coral tones, all mounted on a black frame. This project uses die-cutting and layering techniques to create depth and visual impact.

From our live show **SBM EXCLUSIVE ONE DAY SPECIAL - Join Toni in the studio broadcast August 2nd 2024** (2 August 2024) - watch it from 16:30.

TIPS FROM THE SHOW

- You can swap the background cardstock colour to create two different looks from one die-cut set.
- Cut the tree twice in different colours and offset them to create multiple trees with added depth.
- Use white gel pens or sparkle pens to add highlights and definition to the black silhouettes.
