

Winter Village Embossed Card with Pink Ink and...

1 JULY 2024

Create an elegant winter village card featuring a charming embossed scene of a church nestled among snow-covered trees. The design is embossed on white card and enhanced with subtle brown and sepia tones to create depth and warmth. This versatile card works beautifully for Christmas greetings, sympathy messages, or any occasion requiring a peaceful, wintry sentiment.

TIPS FROM THE SHOW

- This design works all year round for Father's Day, birthdays, or sympathy cards—not just Christmas.
- If the card stock is bigger than your embossing folder and overhangs, you risk getting a stretched, jagged look, so keep the card the same size or slightly smaller than the folder.
- Blending ink with a brush removes harsh lines and creates a softer, more professional finish.
