

5½ by 5½ Envelope Using Box and Envelope Maker

18 MAY 2024

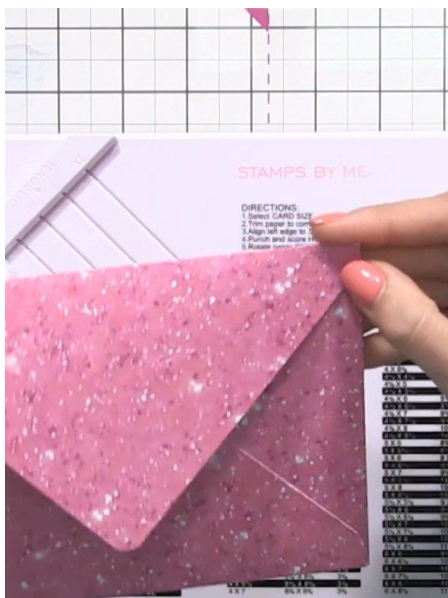

Create a charming 5½ by 5½ inch envelope using decorative patterned card stock. This project features a finished envelope with floral and botanical designs in soft pink tones, crafted using the Box and Envelope Maker tool. The technique involves precise measuring, scoring and folding to create a professional-looking envelope perfect for cards or special occasions.

From our live show **How to Make the Perfect Envelope Every Time - Broadcast 18TH May 24** (18 May 2024) - watch it from 4:30.

WHAT YOU WILL NEED

See the show for everything used.

STEP 1

Cut your patterned card stock to 9 by 9 inches as specified on the envelope chart. Use the pink glittery card stock for a decorative envelope.

Watch this step: 4:45 into the show

STEP 2

Place your card stock into the Box and Envelope Maker, aligning it at the 4½ inch score line marking. Hold the card stock in position with one hand whilst preparing to score.

Watch this step: 6:00 into the show

STEP 3

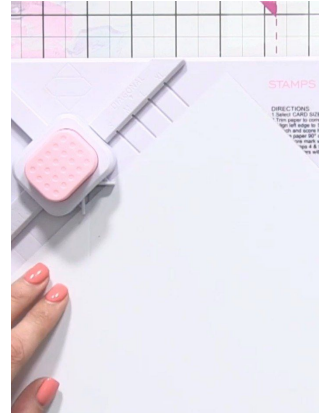

Using the scoring tool, score your first line by following the V-shaped groove system down and across the paper, just as you did with the score line. **Watch this step:** 6:15 into the show

STEP 4

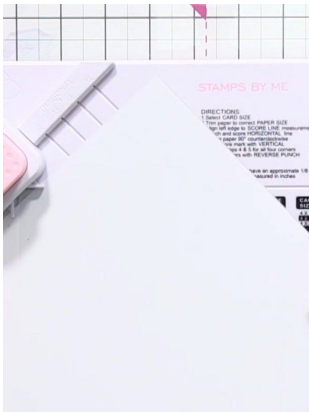

Use the scoring tool to punch along the scored line on the envelope template. Punch at each intersection where the score lines meet. **Watch this step:** 6:15 into the show

STEP 5

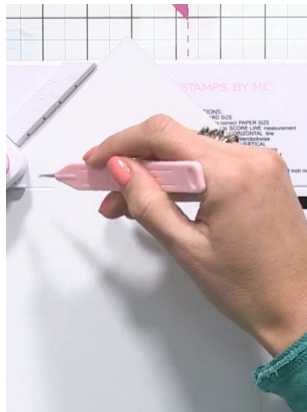

Twist the paper and match the first score line back up with the alignment mark on the envelope maker board. **Watch this step:** 6:30 into the show

STEP 6

Score and punch across the paper again using the same score line on the board. Twist to match the previous score lines and continue the pattern. **Watch this step:** 6:30 into the show

STEP 7

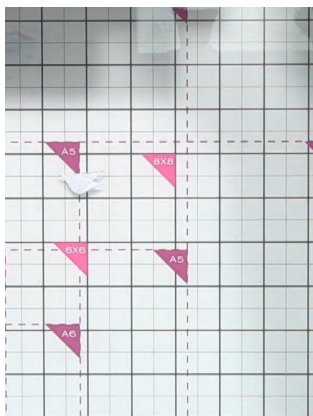

Repeat the twist and punch process for the remaining two sides, ensuring the score lines match up correctly on all sides. **Watch this step:** 6:45 into the show

STEP 8

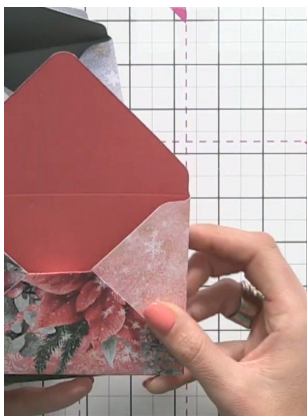

Burnish all fold lines with a bone folder or scoring tool to create sharp, crisp creases on your envelope. **Watch this step:** 7:15 into the show

STEP 9

Fold the envelope together along all the scored lines to create the envelope shape. Watch this step: 7:30 into the show

STEP 10

Use a corner punch to round all four corners of your finished envelope for a professional look. Watch this step: 7:45 into the show

TIPS FROM THE SHOW

- Make sure your line matches up correctly each time you twist and reposition the paper.
- Practice the twist and punch sequence on plain paper first to build confidence.
