

Simple Magnolia Card with Topper and Embellishments

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 23 APRIL 2024

ABOUT THIS PROJECT

A straightforward card using the Create a Card Magnolia kit components. You layer a card blank with a coordinating topper, add foam pads for dimension, and embellish with pre-cut ephemera pieces like flowers, leaves and birds to create an elegant finished card.

TIPS FROM THE SHOW

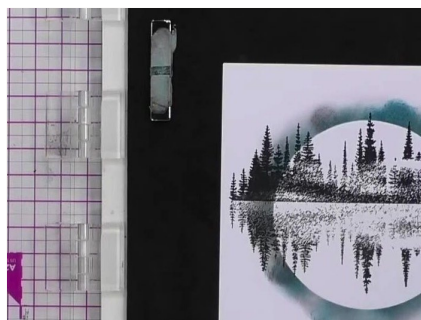

- You have enough foam pads to make 20 or more cards, so do not be tight with the embellishments.
- The rubons transfer like they have been printed onto the envelope when burnished properly.
- You can make 18 complete cards from the kit and still have embellishments left over to extend your project with additional card stock from your stash.
