

Watercolour Painted Flower Card from Hot Foiled Book

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 19 MARCH 2024

ABOUT THIS PROJECT

Paint loose watercolour flowers directly onto pre-printed watercolour card stock from the hot foiled books. The designs are pre-printed with gold foil details and open spaces, so you simply add colour with ink pads and a brush to create beautiful, professional-looking cards.

TIPS FROM THE SHOW

- Use water-based ink pads from your existing stash rather than buying new watercolour paints.
- You don't have to stay within the lines—let the colour bleed out for a contemporary feel.
- The gold foil details will resist the water and ink, creating natural highlights.
