

Embossed Sunflower Card with Gilding Wax

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 12 MARCH 2024

ABOUT THIS PROJECT

Create a striking card using a large 5x7 embossing folder featuring wild sunflowers and funky leaves. Run coloured card through the folder, then highlight the embossed detail with multicoloured gilding wax for a dimensional, textured finish.

TIPS FROM THE SHOW

- You can create a clean and simple white embossed card with no ink or wax if you prefer a minimal look.
- The elongated petals of this design allow you to cut around them easily to create shaped elements or 3D embellishments.
- Never throw away a card with messy fingerprints—cut around the mess and repurpose it as a panel or embellishment.
