

Two-Tone Silhouette Card with White Ink

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 22 FEBRUARY 2024

ABOUT THIS PROJECT

A striking card using the reflection collection papers stamped with white ink instead of black, creating a reversed silhouette effect. This demonstrates how changing ink colour completely transforms the look of the same stamp and paper combination.

- White ink creates a completely different aesthetic from black ink on the same papers.
- If you stamp in white and change your mind, you can stamp over it in black to create a white shadow effect.
