

Romantic Cityscape Silhouette Card with Reflection

A PROJECT FROM OUR LIVE SHOW - CREATE AND CRAFT TV - 9 FEBRUARY 2024

ABOUT THIS PROJECT

Create a striking card featuring a silhouette figure with an inbuilt reflection stamp. The reflection is shortened and jaded to mimic realistic water or wet pavement reflections, giving the card an atmospheric, romantic quality perfect for various occasions.

TIPS FROM THE SHOW

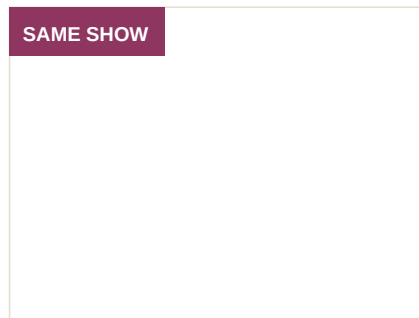

- The reflection is already built into the stamp design, so you don't need to create it separately.
- If your ink is drying out and you get a jaded look, it actually enhances the effect.
- Keep highlights consistent—place them all on one side or top to suggest light coming from a single direction.
